

Commentaires et notes de dégustation

	<p>GUIDE HACHETTE 2010</p>	<p>★</p>
	<p>LE POINT</p>	<p>15/20 : Mûre, cire, rond, gras, riche, dense, puissant, belle matière, long. O = 2009, G = 10 ans</p>
	<p>STEPHAN TANZER</p>	<p>86 / 89 Red-ruby. Reduced on the nose. Fat, sweet and pliant in the mouth, with ripe flavors of cherry, chocolate and smoke. This boasts good breadth and finishes with sweet tannins.</p>
	<p>GAULT & MILLAU</p>	<p>16,5/20 : Un joli vin dont nous avons apprécié la tendresse et le côté avenant plus que la concentration. Il se décline surtout sur des arômes de fruits mûrs comme la cerise et le pruneau. La bouche est douce et suave sans aspérité. Un vin enjoleur au nez comme en bouche. A boire avant 2016/2019.</p>
	<p>JENS PRIEWE</p>	<p>Wein Tipp von Jens Priewe</p>
	<p>CONNECTIONS TO WINE</p>	<p>Nice job. Fresh and sappy - though a hint of green on the nose, oddly enough. On the palate, a tad overripe, but not too noticeable. I like a certain austerity without being astringent. Overall somewhat disjointed but a good job, with positive tannic bite. (04/2007) 86 / 88</p>
	<p>LARSSON</p>	<p>Medium to deep ruby red, the nose is on the floral side, elegant with hints of red berries, minerals and leather, the palate is on the lighter side, fresh and balanced with smooth tannins, quite long. (04/2007)</p>
